

## WHAT WE REVIEW

We review all types of crime and mystery fiction—noir, cozy, thriller, suspense, PI, espionage, etc.—as well as children’s and YA fiction, and mystery reference titles (including biographies and selected how-to books). We cover book, audio-book, and graphic novel formats. We also review films and television programs.

We do not review:

- True crime
- Fantasy / Science Fiction / Horror
- Already published books
- Self-published books
- E-books

## SUBMISSION GUIDELINES

Mystery Scene only accepts review materials directly from publishers. Almost every major publisher already submits to Mystery Scene. Authors please check with your publicist—not with us—to make sure your book has been submitted.

Small Press books should be submitted directly to Mystery Scene’s Small Press columnist. Publicists/editors may contact us for the mailing address.

Please send review galleys of titles at least 3 months prior to the publication date. In instances where no advance copy is available, please send the finished book as soon as possible. Submissions are first assessed by editors and selected titles are sent out to the appropriate reviewers. This process takes some time so the more in advance, the better.

Please also including the following information:

- Publication date
- ISBN
- Price
- Any additional information about the author
